X X 500's at Stevesson's

The X X 500 Club was very delightfully entertained last Friday evening at the home of Mr. and Mrs. L. W. Stevesson. Besides the members of the club there were a number of guests present. They were: Mr. and Mrs. F. E. Kennedy, of Norton, Kansas, Mr. and Mrs. Chas Taylor, Mr. and Mrs. F. V. Cason, Mr. and Mrs. C. E. Woods, Mr. and Mrs. C. W. Eidson, Mrs. Anna Keating and Miss Jennie Berry. Mr. and Mrs. Kennedy won the guests honors of the evening while Mr. Ault and Mrs. Baughman won membership honors. The honors were very dainty and appropriate; cards for the gentlemen and elegant little bon bon dishes for the ladies. The hostess, assisted by her two charming daughters served the appetizing, and according to rule, one course lunch. It consisted of oyster stew, celery, olives, dill pickles, coffee and salted nuts. Mrs. Frazer and Miss Edna Stevesson furnished some fine vocal and piano music for the party during the evening. The club met on Friday evening rather than Saturday evening, the regular time for the meeting on account of the departure of some of the members for Eastern points the next day.

Mr. and Mrs. F. V. Cason entertained informally Monday evening in honor of Mr. and Mrs. F. E. Kennedy of Norton, Kansas, the parents of Mrs. Chas Taylor. Those present were Mr. and Mrs. Kennedy, Mr. and Mrs. Chas Taylor, Mr. and Mrs. J. F. McWilliams, Mr. and Mrs. C. C. Warner and Mr. and Mrs. L. C. Yocum. Cards were the order of the evening, Mrs. Kennedy and Mr. Taylor receiving honors. A very elaborate lunch was served.

The club in the ranks of the administration party these days is to "get together, or there will be a democratic landslide in 1912." It is our personal opinion that the G. O. P. can't muster enough "get together" to prevent it.

Liberal School Notes.

The Liberal teachers met with some of the country teachers last Saturday in Mrs. Todd's office. A very profitable and instructive meeting was held, that all enjoyed. Our teachers agree that although small in numbers it was the best meeting that has been held here for some time. Mrs. Todd took the teachers to the Rest Room and treated them to pie and coffee as her part of the program—well, her number was the best on the program.

Rope Talk

There is not much difference per pound between the price of the cheapest rope, and the best, but there is a big difference in quality. 10 cent rope is short fiber and has numbers of "lumps" or "mouse nests" in it, little wads of short or rotten fiber, which make up weight and bulk, but are worse than useless in the strand of rope.

Our Plymouth Sisal is long smooth fiber, practically free from lumps is worth half more and only costs 12 1-2 cents.

For a really good rope Manila is cheaper than Sisal. It is softer, smoother and much stronger. Plymouth Manila is now worth 15 cents; this is the kind of Rope for Sand Lines, Well Ropes, or any hard service.

For Saddle Rope we keep the Plymouth Manila Yacht Line Lariat, and this is the best rope we have ever seen. Come in and look at it.
